The Discover Brunei Course

A course which has been designed to give an understanding of Brunei through its four themes:

- Language and Culture
- Brunei History
- Business and Industry
- Green Science

Being a small country which is rich in traditions, Brunei is unique as it implements an Islamic law while progressively adopting a dynamic sociocultural and socio-economic development.

International students will have a chance to learn and experience the true unique Bruneian identity, its economy as well as its surrounding through the course's 42-hour classes and various relevant visits. DBC is academically enriching and you will earn 4 credits while spending your summer.

- Course Duration: 4 weeks
- Contact hours: 42 hours
- Class size: Minimum of 5 students

Start dates:

- 28 January - 24 February 2019
- 7 August - 3 September 2019

Aims / Objectives

This interdisciplinary, socially-enriching programme offers international students an opportunity to spend part of their summer break living in and learning about Brunei. To give the students a first-hand feel of life and living in this kingdom of unexpected treasures, homestays in each of the country's four districts will be a weekly component of the DBC. The DBC encompasses the following four weekly themes: Language and Culture, History of Brunei, Green Science, and Business and Economy.
